In addition, for any change, you must enter it in the CSU Online Benefits Enrollment System. Changes made during the Open Enrollment Period will become effective January 1st following the Open Enrollment period, unless evidence of insurability is required, which may delay the effective date based upon underwriting requirements.

must be actively at work for the coverage to begin. Please refer to the Certificate of Insurance from The Hartford for official plan details.

**Premiums**

Premiums for the Voluntary group term life insurance are made by post-tax deduction only. Premiums are based on your age as of January 1st of each calendar year.

To calculate monthly premium

Locate the amount of coverage you wish to select along the top row of the Employee table. Then locate your age bracket along the left column of the table. Your monthly premium is the amount located where the row and column you have identified meet (down from top row and right from left column). Follow the same method to determine your spouse, domestic partner or civil union partner rate.

The child rate is a flat rate of $1.50 regardless of the number of children you have.

Total the **Employee, Spouse, Domestic Partner or Civil Union Partner**, if applicable, and **Child** (if any) rates to obtain your **Total Monthly Premium**.

**Beneficiary**

Beneficiary designations are made using CSU’s Online Benefits Enrollment System. The employee may change beneficiary designations at any time; the change will take effect as of the date entered in the online system or signed.

Court Orders: Beneficiary designations may be governed by court orders involving participants. These orders may mandate that the life insurance beneficiary named be a spouse, former spouse, or child (ren). For these court orders to be honored by the life insurance carrier, it is imperative that Human Resources receives copies of any court orders addressing life insurance. Also, the employee must take appropriate steps to change beneficiaries on file to reflect the court order.

The employee is the beneficiary for any eligible Spouse, Domestic Partner, Civil Union Partner or Children enrolled in the plan.

For further details on beneficiary designation and other information, refer to the Certificate of Coverage.

**Termination of Coverage**

Your insurance will terminate at the end of the month in which your active service stops, you cease to be in a class of employees eligible for coverage, you cease to make the required contribution, or the Plan is terminated.

Eligible individuals coverage terminates as of the last day of the month in which the individual loses eligibility (i.e., divorce, termination of a domestic partnership or civil union partnership, attainment of age 26 for voluntary group term life or the last day of the calendar month when the employees insurance terminates, whichever occurs first.)

Subsequent to coverage termination, you will be contacted by The Hartford regarding your Conversion and/or Portability options. If you wish to convert (no age limit) or port (limited to age 70) your coverage, you must do so within 31 days of your notification date.

Portability rates match the voluntary life rates; you must request a quote for Conversion rates from The Hartford. A child reaching the plans limiting age of 26 is not eligible for Portability, but may apply for Conversion. If you have questions about the coverage, contact The Hartford at (877) 320-0484.

If you elect the Family Plan coverage and die in a covered accident, the Plan will provide an Occupational Training Benefit to your eligible spouse, domestic partner or civil union partner. The expense must be incurred within 2 years of the employee’s date of death. This Training Benefit is a lump-sum payment of the lesser of 5% of your Amount of Insurance or $5,000.

Child Education Benefit
If you elect the Family Plan coverage and die in a covered accident, the Plan will provide an Child Education Benefit to each eligible dependent child who is a full-time student at a college, University, vocational school, or trade school over the 12th grade level at the time of (or enrolls within 365 days of) your death.

This Child Education Benefit is an annual payment of the lesser of 5% of your Amount of Insurance or $5,000. Payments will be made each year for up to 4 consecutive years for each child who qualifies. Benefit payments will cease when the child ceases to be a full-time student or reaches the age of 26. If there are no dependent children who qualify for this benefit, a single lump sum of $500 will be paid to your beneficiary.

Seat Belt/Air Bag Benefit
Because of the added protection seat belts and air bags bring to drivers and passengers every day, this special benefit is provided for you and your family members. If, while insured for this benefit, you or your covered dependent suffer accidental death due to a covered accident in which you or your covered dependent was seated in an automobile with a seat belt properly fastened, the Plan will pay an additional 10% of the Principal Sum, to a maximum of $25,000. An additional Air bag benefit may be payable if the injured person was positioned in a seat equipped with a factory-installed Air Bag and properly strapped in the seat belt when the Air Bag inflated. The Air Bag Benefit pays 5% of the Principal Sum to a maximum of $5,000.

Critical Burn Benefit
If an Insured Employee is accidentally critically burned and requires reconstructive surgery, as determined by a physician, a Critical Burn Benefit may be payable. This Benefit will be equal to the lesser of 25% of the Employee’s Principal Sum or $25,000.

(Critically Burned means burns are certified by a Physician as more severe than second degree burns and result in scarring over at least 25% of the body which will last indefinitely and can only be corrected through reconstructive surgery.)

Exposure & Disappearance
A loss will be covered if an Insured is exposed to the elements because of a covered accident due to forced landing, stranding, sinking or wrecking of a conveyance in which the insured was an occupant at the time of the accident. We will presume an insured suffered a loss of life if his or her body has not been found within one year after a covered accident involving the disappearance of a conveyance in which the insured was an occupant at the time due to accidental forced landing, stranding, sinking or wrecking.
