2019–Vision Plans

Anthem, Vision Service Plan (VSP) and EyeMed Vision Care

The benefit offerings include access to three separate vision plans. The CSU medical plans include eye exam benefits. A voluntary vision insurance plan through VSP is primarily intended as a materials plan (i.e. glasses, contacts), but also provides a secondary eye exam benefit. And thirdly, a discount vision plan is available at no cost through EyeMed Vision Care. Carefully review this summary and other materials referenced below for plan benefit information.

Anthem Medical Plans
The Green, Gold, Ram Plan-HDHP and POS medical plans allow participants one eye exam per calendar year subject to normal copays or deductibles and coinsurance (see SPD for complete plan details).

The VSP Vision Care Plan
VSP is a voluntary vision insurance plan. Exams and materials are subject to copays and annual benefit allowances. VSP offers contracted providers with discounted service fees.

EyeMed Vision Care
A no cost discount plan available through Delta Dental. Discounts on exams and materials are through a discount card. Dental coverage enrollment is not necessary.
