If a covered insured is injured in a covered accident, which results in a coma for at least 31 consecutive days, the Program will begin payment of a Monthly Coma Benefit. Payment of this benefit will continue each month as long as the insured person remains in a comatose condition, up to a maximum of 100 months. This benefit will be paid at a rate of 1% of the Amount of Insurance less any benefits paid as a result of the same covered accident.

(“Coma” means complete and continuous unconsciousness; and inability to respond to external or internal stimuli, as verified by a physician.)

Extended Dependents Coverage

If you elect the Family Plan coverage and die in a covered accident, your family’s coverage may be continued, at no cost to your family, for a specified period, from the date of your death, provided your spouse or domestic partner and/or dependent children remain eligible under the Plan.

Child Care Expenses Benefit

If you elect the Family Plan coverage and die in a covered accident, the Plan will provide child care assistance to each eligible dependent child who is enrolled in a licensed child care center, or who enrolls in a licensed child care center within 90 days from the date of the covered accident. This important benefit pays 5% of your Amount of Insurance annually for up to 4 consecutive years, paid annually. If you have no eligible children who qualify, the Plan will pay a lump sum of $500 to your beneficiary.

Spouse, Domestic Partner or Civil Union Partner Education Benefit

If you elect the Family Plan coverage and you die in a covered accident, the Plan will provide an Occupational Training Benefit to your eligible spouse or domestic partner. The expense must be incurred within 2 years of the employee’s date of death. This Training Benefit is a lump-sum payment of the lesser of 5% of your Amount of Insurance or $5,000.

Child Education Benefit

If you elect the Family Plan coverage and die in a covered accident, the Plan will provide an Child Education Benefit to each eligible dependent child who is a full-time student at a college, University, vocational school, or trade school over the 12th grade level at the time of (or enrolls within 365 days of) your death.

This Child Education Benefit is an annual payment of the lesser of 5% of your Amount of Insurance or $5,000. Payments will be made each year for up to 4 consecutive years for each child who qualifies. Benefit payments will cease when the child ceases to be a full-time student or reaches the age of 26. If there are no dependent children who qualify for this benefit, a single lump sum of $500 will be paid to your beneficiary.

Seat Belt/Air Bag Benefit

Because of the added protection seat belts and air bags bring to drivers and passengers every day, this special benefit is provided for you and your family members. If, while insured for this benefit, you or your covered dependent suffer accidental death due to a covered accident in which you or your covered dependent was seated in an automobile with a seat belt properly fastened, the Plan will pay an additional 10% of the Principal Sum, to a maximum of $25,000. An additional Air bag benefit may be payable if the injured person was positioned in a seat equipped with a factory-installed Air Bag and properly strapped in the seat belt when the Air Bag inflated. The Air Bag Benefit pays 5% of the Principal Sum to a maximum of $5,000.

Critical Burn Benefit

If an Insured Employee is accidentally critically burned and requires reconstructive surgery, as determined by a physician, a Critical Burn Benefit may be payable. This Benefit will be equal to the lesser of 25% of the Employee’s Principal Sum or $25,000.

(Critically Burned means burns are certified by a Physician as more severe than second degree burns and result in scarring over at least 25% of the body which will last indefinitely and can only be corrected through reconstructive surgery.)
Exposure & Disappearance

A loss will be covered if an Insured is exposed to the elements because of a covered accident due to forced landing, stranding, sinking or wrecking of a conveyance in which the insured was an occupant at the time of the accident. We will presume an insured suffered a loss of life if his or her body has not been found within one year after a covered accident involving the disappearance of a conveyance in which the insured was an occupant at the time due to accidental forced landing, stranding, sinking or wrecking.
